Dear Banta Parents.

This year, all students in the 6-8th grade will participate in a Personal Hygiene class. Boys and girls are taught in separate settings. Topics of discussion include changes in their bodies, and the different hygiene needed now that they are growing up. This is not the Sex Ed curriculum, as that curriculum will be taught in the Spring.

Please preview the material that we will be using at <https://www.youtube.com/watch?v=G57Suq7JpQE> for boys and <https://www.youtube.com/watch?v=OR1XJZ0xRSo> for girls.

Return this form if you do not wish your child to participate. Students who do not participate in hygiene class will be sent to an alternate setting.

Please feel free to contact the school nurse regarding any questions within the curriculum, or in regards to the hygiene curriculum.

Sincerely,

Rechelle Pearlman

Principal
